

All CTE Directors and Coordinators are invited to attend the Wednesday session of the Business Education, Health Science Education, and Work-Based Learning Summer Conference held at Park City High School on June 13, 2012. The keynote speaker will be Bernie Trilling, co-author of the book 21st Century Skills Learning for Life in our Times. The keynote address will be from 8-9:30 am. We have purchased copies of the book and are making them available for teachers to purchase at a reduced price during registration or at the conference. We would like to offer you a copy of the book. Please register for the conference and a copy of the book at : <http://goo.gl/yfi7k> or with this QR code:
